Recent YP Events

The Southeast District Happy Hour was held at the Columbus Bar on November 3, hosted by the YP Committee. Delicious food and beverages were shared while networking and socializing with other members of the water industry. Even a few students attended to find out more about opportunities and careers available in the water industry!

Eight young professionals and students gathered on November 19 to tailgate prior to the Purdue vs. Iowa football game. Although it was a pretty cold morning, we all enjoyed ourselves.

Annual YP Meet & Greet

Please join YP's from across the state of Indiana as we join for the Annual YP Meet & Greet before the IN-AWWA Annual Conference. This event is open to all young professionals in the water industry. Spouses are welcome as well. AWWA membership and conference registration are encouraged, **but not required** as this is not a conference event. This will be a time to network and to enjoy appetizers, drinks, and plenty of good company!
