GOT WATER??? We do, but millions don't So let's help the WATER FOR PEOPLE events this year...

Some people do not have the privilege of having safe drinking water by simply turning on the tap. You can take a part in changing that by attending one of these exciting events and helping to raise the funds needed to make safe drinking more accessible to those less fortunate: July 25th in Indianapolis there will be an annual golf outing, August 25th also in Indianapolis be sure to put your running shoes on for the 5k run/walk, and then be ready to Rock on October 11th in Evansville to "The Devonshires" – a band you're sure to love. For more information about these events or WFP please contact Mr. Jim Williams at 574.252.4140 or visit their website at www.waterforpeople.org. **Together we can make a difference!**
