

# INDIANA RURAL WATER ASSOCIATION & INDIANA SECTION AWWA

## *Operator Boot Camp*

***Brownstown - August 24, 2016 (8:00am – 4:00pm)***

IRWA, in collaboration with the **Indiana Section AWWA's Small Systems Committee**, will be hosting this year's **Operator Boot Camp** in southern Indiana at **Jackson County Water Corp.** in Brownstown on August 24, 2016.

We invite you to join us for this full day of demonstrations and exhibits highlighting the latest in products, equipment, technology, and services for both water and wastewater systems. Contact hours will be awarded — potentially 6 water and wastewater hours (pending IDEM approval); and, since the sessions will receive IDEM approval, they are also eligible for professional engineer PDHs. A sampling of vendors and topics we have received to date is inside. *To assist you in planning your day, a definitive program will be sent to all registrants, via email, (if one is provided on the registration form), prior to August 24th.*

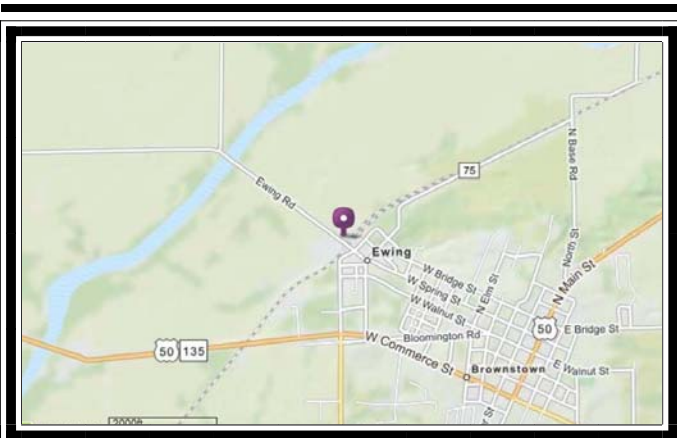

Please dress for weather and construction site conditions. Also, feel free to bring your own folding chair to use during outdoor demonstrations.

Refreshments will be available throughout the day and a lunch buffet will be served.

### TENTATIVE SCHEDULE

7:15-8:00am	Registration
8:00-8:15am	Welcome and Procedures for the Day
8:15-11:30am	Demonstrations and Presentations

# ***Operator Boot Camp***

***Brownstown - August 24, 2016 (8:00am – 4:00pm)***

---

We know your time is limited. This Operator Boot Camp is structured to allow you to make the most of your day. Each demonstration will be conducted once in the morning and once in the afternoon. You just mix and match the demos that are of interest to you.

Contact hours will be awarded — potentially 5 to 6 water and wastewater hours (pending IDEM approval) — AND potentially 5 to 6 well driller / pump installer hours (pending IDNR approval); and, since the sessions will receive IDEM approval, they are also eligible for professional engineer PDHs. To assist you in mapping out which demonstrations you wish to see, a definitive program will be sent to all registrants via email (if one is provided on the registration form), prior to August 24th.

Please dress for weather and construction site conditions. Also, feel free to bring your own folding chair to use during outdoor demonstrations.

Refreshments will be available throughout the day and a lunch buffet will be served.
