Indiana Section American Water Works Association
presents

2021 Work Zone Safety

**Sep 16, Brownstown, IN; Sep 23, Chandler, IN; and
Nov 30, Bainbridge, IN**

**Indiana Section AWWA
and
Indiana Rural Water
Association**

Two strong organizations have joined forces. We will continue to build on our strengths, allowing us to provide systems of all sizes with increased programming, training, & technical assistance.

Together we are
**The Voice for
Indiana Water™**

This workshop will provide attendees basic strategies for working safely on the road, as well as best practices for handling temporary traffic control and flagging. The topics to be discussed include:

- Working safely on the road
- Recognizing hazards and taking measures to prevent incidents
- The importance of proper personal protective equipment and visibility
- The basics of temporary traffic control
- Best practices for flagging traffic
- Hands On Demo and Site Set Up
