To: Water Works Officials, Water Works Superintendents, and other Interested Persons
From: Chris Johnsen, Committee Chair From: Indiana Section AWWA Operator School Committee

Subject: Water Treatment and Distribution Course Begins for Persons Preparing for Indiana's Water Works Operator Certification Exams. The Indiana Section of the American Water Works Association, in cooperation with the Drinking Water Branch of the Indiana Department of Environmental Management, is offering a water treatment and distribution operator training course this fall/winter. The 12-week Operator School is an excellent way for water professionals to expand their water distribution and water treatment knowledge, and for operators to prepare for IDEM's water works operator certification exams. Operator School participants are eligible to receive up to 72 continuing education credits in the State of Indiana. This year, Operator School classes start at various times per location. The required study materials for the Operator School consist of the following four book resources:

- Water Treatment Plant Operation, Volume 1, 7th Ed. -- AWWA Bookstore Catalog No. 20685-7E, or California State University Sacramento Office of Water Programs (CSUS),
- Water Treatment Plant Operation: A Field Study Training Program, Volume 2, 7th Ed. -- AWWA Catalog No. 20686-7E, or CSUS
- Water Distribution System Operation and Maintenance, 7th Ed. -- AWWA Catalog No.20684-7E, or available for purchase from CSUS, <https://www.owp.csus.edu/courses/drinking-water.php>
- Water Operator Certification Exam Prep, (AWWA Catalog No. 20517-7E) Indiana Water Operator Training Manual by IDEM, Indiana AWWA and former IRWA at [Appendix A1 \(inawwa.org\)](#) .
- Daily Duties of a Drinking Water Operator by IDEM

Students are responsible for ordering their own books through the AWWA bookstore - www.awwa.org/store/operator and/or through the Sacramento State Office of Water Programs - <https://www.owp.csus.edu/courses/drinking-water.php> . In addition, students may desire to order optional study materials from the AWWA bookstore or Sacramento State University. Courses will be offered at the following locations throughout Indiana. Some sites may be combined, cancelled, added, or moved to a different location based on enrollment or other factors. Attendees will be notified of any changes. Directions to course locations will be sent to registered attendees and posted on the Section web page prior to class starting.
