Small System Operator Training to Achieve/Maintain Compliance with the Safe Drinking Water Act

Complimentary Workshop Training – Designed just for Small Systems!

November 1, 2018; 8:30am – 4:30pm;

Element Materials Technology (328 Ley Road, Suite 100, Fort Wayne, Indiana 46825)

Registration begins at 8:00am

To register, complete the attached form and mail / email / fax to Indiana Section AWWA, 2680 East Main Street, Suite 106; Plainfield, IN 46168; dawn.keyler@inawwa.org; fax 866.213.2796

Your utility faces daily-to-day challenges providing reliable, safe drinking water for your customers while avoiding costly violations. The Indiana Section AWWA and RCAP are offering a FREE one-day workshop to help your utility learn about compliance with drinking water regulations and steps to avoid costly violations. Receive a free 90-day membership with AWWA as our thank you for attending! The first 20 to register will also receive a copy of the AWWA Small Systems Field Guide, Water and Wastewater.

Who should attend?

- Operators
- Managers
- Decision makers at your small system

What topics will be covered at the workshop?

- Distribution System Infrastructure
- Flushing
- Main Breaks and Cross Connection
- A hands-on Learning Lab: Water Quality Monitoring – Ensuring your water is safe to drink

For further information, please contact Dawn Keyler at dawn.keyler@inawwa.org /
phone 866.213.2796

This workshop is made possible by funding through the USEPA and AWWA's partner, the Rural Community Assistance Partnership.
