**WELCOME TO THE
16TH ANNUAL
OPERATOR BOOT CAMP**

August 11, 2021
Miami County Fairgrounds & Community Building
Peru, Indiana

We must express our deepest gratitude to the people who have worked so hard to make this Operator Boot Camp possible:

Doug Karst	Utility Supply Co.
Larry Haag	Beam, Longest & Neff
Tim Hill	Peerless-Midwest, Inc.
John Crist	EJ
Roger Riddle	JCM Industries

... and the entire MAC Committee ... as well as, all of our wonderful volunteers!

Please recognize these individuals and thank them and their organizations for their time and dedication to Indiana's water industry.

We also want to remember our friend and champion, *Jeff Morris*, who is greatly missed.

wt = water technical
 wwt = technical wastewater
 wwg = general wastewater
 wdpi = well drillers / pump installers
 All sessions are eligible for PDH's & Illinois hours

Breaks are scheduled from 9:50-10:05am and 2:35-2:50pm.

Lunch will be served from 11:45am - 12:45pm.

Most demonstrations will be repeated twice during the day — once in the morning and once in the afternoon.

No partial credit will be given on sessions.
 You must attend the entire session to receive credit.

PLEASE WEAR YOUR NAMETAG AT ALL TIMES

✓ There are different forms for water, wastewater, well driller/pump installer and professional development hours. Please be sure you have the appropriate forms for your certifications.

NOTE: Not all demos are approved for all certifications.
 Check the schedule to verify.

✓ Have each form stamped in and out at each demonstration site. There will be at least two monitors at each site to facilitate this procedure.

IT IS YOUR RESPONSIBILITY TO MAKE SURE THE APPROPRIATE STAMPS ARE OBTAINED as our demonstration monitors cannot possibly remember each person and whether or not that person attended a specific demo.
