## CORPORATE CHALLENGE

Do you already have a few people from your company planning to participate in the 2020 Water For People Run for World Water? If so, we hope you'll consider making the run a company-wide challenge!

### HERE'S HOW IT WORKS!

1. Let us know that your company plans to participate in the corporate challenge. Email Shelly Baxter at [Shelly.Baxter@arcadis.com](mailto:Shelly.Baxter@arcadis.com) to have your company added as a corporate challenger in the online registration system.
2. Get as many people from your company along with your employees' friends and family to register for the race, choosing your company as their 'team' upon registration. **Deadline is Friday, August 14.**
3. The winning company will be recognized at the beginning of the race and will have bragging rights for a year!
