

CYBERSECURITY TRAINING WORKSHOPS

The Indiana Finance Authority, in partnership with the Indiana Section AWWA, is providing Cybersecurity Training for municipality staff, local government leadership and water & wastewater utilities in Indiana. These trainings will provide basic knowledge on cybersecurity. Attendees will learn about cybersecurity risk assessment and response planning needed to meet the State and Federal requirements of Indiana municipalities and counties to implement cybersecurity plans. The trainings will be conducted via webinar or class that will last 4 hours. There will be no cost to the utility or municipality. Each attendee will receive AWWA materials for the class. Lunch will be included at French Lick. Each attendee will need to register and provide a unique email address for log in and tracking purposes.
