Small System Operator Training to Achieve/Maintain Compliance with the Safe Drinking Water Act

Complimentary Workshop Training – Designed just for Small Systems!

April 29, 2021; 8:00am – 4:00pm;

Webinar Presentation

Log In begins at 7:45am

IDEM Approved for 6 Technical Water Hours!

To register, complete the form and email or fax to Indiana Section AWWA:

maryjane.peters@inawwa.org; fax 866.215.5966

or Register Online at www.inawwa.org/events

Your utility faces day-to-day challenges providing reliable, safe drinking water for your customers while avoiding costly violations. The Indiana Section AWWA and RCAP are offering a FREE one-day webinar to help your utility learn about compliance with drinking water regulations and steps to avoid costly violations. Receive a free 90-day membership with AWWA as our thank you for attending! The first 20 to register will also receive a copy of the AWWA Small Systems Field Guide, Water and Wastewater.

Who should attend?

- Operators
- Managers
- Decision makers at your small system

What topics will be covered at the workshop?

- Distribution System Infrastructure
- Main Breaks and Cross Connections
- Arsenic Rule Compliance
- Regulatory Updates & Lead and Copper Rule Updates
- Large Building Water Quality Issues
- Small Systems Resilience

For further information, please contact Monique Riggs at monique.riggs@inawwa.org /
phone 317.372.9864

This workshop is made possible by funding through the USEPA and AWWA's partner, the Rural Community Assistance Partnership.
