

Meter Madness

The 2016/2017 Meter Madness Competition is quickly approaching! We will have our competitions at each of the five Fall District Meetings. This year we will be using the Badger Model 25 meter, supplied by Badger Meter. The winner at each District will represent their District at the competition held at our Indiana Section's 2017 Annual Conference with the winner from that competition advancing to ACE17 in Philadelphia.

If you would like to participate in Meter Madness please contact Dawn Keyler at dawn.keyler@inawwa.org or 866.213.2796, or email/fax the form below. If you would like to have a meter to practice, you can visit the competition website to fill out a form and a meter will be sent to you (<http://go.badgermeter.com/MeterMadness2017.html>) We are looking forward to a great competition this year - see you at Meter Madness!
