

Meter Madness

The 2018/2019 Meter Madness Competition is quickly approaching! We will have our competitions at each of the Fall District Meetings. This year we will be using the 5/8-inch by 3/4-inch Master Meter Bottom Load Multi-Jet (BLMJ) Meter. The winner from each District will represent their District at the competition held at our Indiana Section's 2019 Annual Conference, with the winner from that competition advancing to ACE19 in Denver.

If you would like to participate in Meter Madness please contact Dawn Keyler at dawn.keyler@inawwa.org or 866.213.2796, or email/fax the form below. If you would like to have a meter to practice, you can visit the competition website to fill out a form and a meter will be sent to you (<https://water.mastermeter.com/meter-madness-ace19>). We are looking forward to a great competition this year - see you at Meter Madness!
