From: Kirk Kuroiwa: Committee Chair  
Indiana Section AWWA Operator School Committee

Subject: **Water Treatment and Distribution Course** Begins in August for Persons Preparing for Indiana's Water Works Operator Certification Exams.

The Indiana Section of the American Water Works Association, in cooperation with the Drinking Water Branch of the Indiana Department of Environmental Management, is offering a water treatment and distribution operator training course this fall. The 12-week Operator School is an excellent way for water professionals to expand their water distribution and water treatment knowledge, and for operators to prepare for IDEM's water works operator certification exams. Operator School participants are eligible to receive up to 72 continuing education credits in the State of Indiana.

Operator School classes start approximately three (3) months prior to IDEM's Fall Exam date of November 1, 2018.

NOTE: The required study materials for the Operator School consist of the following four book resources:

- Water Treatment Plant Operation, Volume 1, 7<sup>th</sup> Ed. (AWWA Catalog No. 20685-7E)
- Water Treatment Plant Operation: A Field Study Training Program, Volume 2, 6<sup>th</sup> Ed. (AWWA Catalog No. 20686-6E)
- Water Distribution System Operation and Maintenance, 7<sup>th</sup> Ed. (Not yet available on AWWA website. Can be purchased from the CSUS website)
- Water Operator Certification Exam Prep, (AWWA Catalog No. 20517-7E)
