

2020 Operator of the Year

*These awards are to be presented at the Water Institute on
Tuesday, December 8, 2020*

Indiana Section
American Water Works Association
Indiana Rural Water Association

Nominations
must be received by

November 9, 2020

One of the highlights of the Water Institute will be the recognition of -

Two Water and Two Wastewater Treatment Operators

Small Systems Operators

One Water ≈ One Wastewater
(more than 10,000 population)

Large Systems Operators

One Water ≈ One Wastewater
(less than 10,000 population)

To nominate your utility person,

- complete the form, and
- send a letter giving detailed information
(accomplishments, etc.) in support of your nomination.

Final selection will be based upon this information.
