AFTERNOON TOUR:

After lunch, we will be offering two options for hands-on information - tours will be available at the Indiana American Water Treatment Plant and demonstrations of GPS units for asset mapping will be provided by Precision Products. Each will be one hour in length and you will be able to do both the tour and the hands-on demonstration (resulting in two additional hours for CEU credits). In order to get an approximate count for these activities, please indicate below if you plan to stay for these tours.

HURTY AWARDS

Each year IDEM presents the John N. Hurty Service Awards to individuals having 25 years or more of service with one or more Indiana public water utility. The awards are presented each year at the Indiana Section AWWA fall district meetings. Hurty Award nomination forms are due June 1. If you have not received a packet from the Indiana Section by mid-April, please contact dawn.keyler@inawwa.org.
