HURTY AWARDS

Each year IDEM presents the John N. Hurty Service Awards to individuals having 25 years or more of service with one or more Indiana public water utility. The awards are presented each year at the Indiana Section AWWA fall district meetings. To be sure you are recognized, please complete the following information. If someone from your utility is not attending, please contact us at 866.213.2796 for a nomination form. To be sure we don't miss someone deserving to be recognized, we need one registration form for all water utility employees.
