

WATER AUDIT WORKSHOP

Indiana Section
American Water Works Association
Indiana Rural Water Association

The Indiana Finance Authority, in partnership with the Indiana Section AWWA, is providing free Water Loss Audit training. This voluntary training is available to assist utilities in completing their audit due to the IFA by January 1, 2021. Trained instructors and technical support staff will be available during either the in-person or webinar formats to guide utilities through the audit process.

DATES AND LOCATIONS: Please select your desired date and return the form to:
