

CYBERSECURITY TRAINING WORKSHOPS

The Indiana Section AWWA, is providing Cybersecurity Training for municipality staff, local government leadership and staff at water & wastewater utilities in Indiana. These trainings will provide basic knowledge on cybersecurity. Attendees will learn about cybersecurity risk assessment and response planning needed to meet the State and Federal requirements of Indiana municipalities and counties to implement cybersecurity plans. The trainings will be conducted via webinar or class that will last 4 hours. There will be no cost to the attendee. Each attendee will receive AWWA materials for the class via email. Conference Lunch tickets are available for purchase on site. All attendees must pre-register and provide a unique email for webinar sign in, to receive materials and for follow up. The funding for this program is provided by the Indiana Finance

Authority.
